

# Technical specifications

## OVAL STAINLESS STEEL

### Characteristics

|                                                 |                                 |
|-------------------------------------------------|---------------------------------|
| Body material                                   | Stainless steel                 |
| Front end cap material                          | Stainless steel                 |
| Rear end cap material                           | Stainless steel                 |
| Material of the inside of the silencer          | Stainless steel                 |
| Link pipe material                              | Stainless steel                 |
| Type of attachment to the frame                 | Stainless steel screwed bracket |
| Total body length (mm)                          | 310 mm                          |
| Internal diameter of the silencer coupling (mm) | Ø 55                            |
| Presence of dB-Killer                           | Yes                             |
| Silencer weight                                 | 1.95 kg                         |
